Crowley Fleck Associate's Article on Pro Bono Work Featured in TYL Magazine

The attorneys of Qualified Member law firm [Crowley Fleck PLLP](#)'s in-house pro bono program have provided guidance and representation to their communities' underserved populations since 1996.

Associate Morgan Dake, who works in this program, recently had an article on pro bono work published in TYL, the American Bar Association's Young Lawyer Division's magazine. The article, "[Certified Local Grown: Pro Bono Work That Supports Your Community](#)," discussed the importance of helping local people in crisis.

The American Bar Association's Young Lawyer Division provides new members with resources and networking opportunities as they embark on their legal careers. TYL is their quarterly print magazine and monthly email created to help lawyers develop their professional identities.

Congratulations to Ms. Dake on her accomplishment. Crowley Fleck PLLP was established in 1895 and has been a Qualified Member of *Best's Recommended Insurance Attorneys* for over 50 years.
